**Honey, do you realize how much you mean to me?  
You give of yourself so much and so unselfishly.**

**You care and share and are always there  
Whenever I am in need.**

**I just want you to remember  
What a wonderful husband you are to me**

**I am very thankful for the way you are,  
As I realize it is the only way you could be.**

**I just want you to remember  
I respect you so greatly  
And I thank you  
For being the greatest man in the world in every way.**

**I will always love you!**
