Starting our life together was tough when the average yearly income was just \$9867.00!
But then when Richard M. Nixon was President, a house cost only \$26,400.00.
Milk cost only sixty-six cents a half gallon, 10 lbs of potatoes cost 90¢ and 95¢ would bring home the bacon.
It wasn't so long ago we could buy a loaf of bread at the supermarket for the 1970 price of twenty-four cents!
Yes, those were the days when we listened to songs like, "My Sweet Lord" and "Let It Be".
And who could forget the enchanting melody of "Bridge Over Troubled Waters" ?
When we were glued to the television set, we watched "The Flip Wilson Show", the most popular show in 1970.
Remember that it was the Baltimore Orioles over the Cincinnati Reds in the 1970 World Series?
