

# Weather

A tropical beach scene with palm trees, a sunset sky, and birds flying over the ocean. The sky is a mix of blue, pink, and orange, with white clouds. The ocean is a deep blue with white waves. The beach is golden sand. There are several palm trees of varying heights and colors, from green to brown. Birds are flying in the sky. The overall mood is peaceful and nostalgic.

**You've touched my life...**

**in special ways through your understanding  
and the thoughtfulness you've shown.**

**You've touched my life...**

**through all the loving guidance  
that you've given me...  
through the memories we share.**

**So whether we're near or far,  
in so many warm and special ways,  
I know your love will always touch my life.**
