

A young girl with dark hair, wearing a large black top hat and a dark, long-sleeved dress with a ruffled collar, is playing a flute. She is looking down at the instrument. The background is a soft, painterly illustration of a Parisian scene, featuring the Eiffel Tower in the distance, a bridge over a river, and a boat on the water. The overall tone is nostalgic and warm.

A Son

**A son is a wonderful blessing
a treasure from above
He's laughter, warmth and special charm
he's thoughtfulness and love**

**A son brings a special joy
that comes from deep inside
And as he grows to manhood
he fills your heart with pride**

**With every year that passes
he's more special than before
Through every stage, though every age
you love him even more**

**No words can describe the warm memories
the pride and gratitude, too
that comes from having a son
to love and to cherish ... just like you**
