**Although you may not see them,
you are always in their sight.**

**They bring the gift of love and guidance,
It is called the Angel Light.**

**You know they always hear you,
to them your voice is dear.**

**With the comfort that they bring to you,
You need not ever fear.**

**So here's a place for to come,
to do with angels what must be done.**

**To make our world whole and bright,
and share with all, the Angel Light.**
